

SNOW WHITE

Snow White was kind and very pretty

The queen was
jealous of Snow White.

Snow White ran
into the forest.

She found a tiny house in the woods

Seven little dwarfs lived there.

Snow White was happy with her new friends.

The queen gave
Snow White a red apple.

She slept for a long, long time.

A prince came and
saw Snow White.

Snow White opened her eyes!

They lived happily ever after.
